## PROFESSIONAL SUMMARY

Backend Developer focused on C# and .NET, with hands-on experience building REST APIs and working with SQL Server. Interested in writing clean, maintainable code and building reliable backend systems. Familiar with Entity Framework Core, JWT authentication, and software design principles.

## SKILLS

- **Backend:** C#, .NET, ASP.NET Core Web API, EF Core, LINQ, REST APIs
- **Database & Architecture:** SQL Server, T-SQL, Clean Architecture, 3-Tier Architecture, SOLID
- **Security & Testing:** JWT, Refresh Tokens, Role-Based Authorization, xUnit, Moq
- **Frontend & Tools:** React, Vite, JavaScript, HTML5/CSS3, Git, GitHub, Swagger, Postman
- **Programming Fundamentals:** OOP, Data Structures (C#, C++)

## PROJECTS

**CARVIA - Full-Stack Car Rental Management System,**
*Technologies: C#,ASP.NET Core API, React, EF Core, SQL Server,JWT*
• Developed a car rental application using React and ASP.NET Core Web API, with a multi-stage booking workflow.
• Implemented JWT authentication, refresh tokens, role-based authorization, and backend organization using Clean Architecture.
https://github.com/Anouar-Derja/CARVIA

**DVLD Management System,** *Technologies: C#, SQL Server, SOLID Principles*
• Developed a management application using 3-Tier Architecture and SOLID principles to separate business logic.
https://github.com/Anouar-Derja/PrDVLD_Project

**Bank Management System,** *Technologies: C#, SQL Server, T-SQL, OOP*
• Built a banking application with role-based access control and SQL transaction workflows for transfers.
https://github.com/Anouar-Derja/PrBank-Management-System

## WORK EXPERIENCE

**Freelance Product Designer,** *Merch by Amazon* 2023 – 2024
- Worked on product research and design decisions to improve listing visibility and presentation.

## EDUCATION

**Self-Taught Software Engineering Curriculum,** *ProgrammingAdvices.com* 10/2024 – Present
- Studied C#, SQL, SOLID principles, and REST APIs; solved 300+ algorithmic challenges.

**High School Diploma,** *Al Khawarizmi* 06/2023

## LANGUAGES

**Arabic** (Native) • **English** (Professional Working Proficiency)
